P. O. Box 262, Paso Robles, CA 93447**

Fed. ID #95-6097022

The first Pioneer Day was held on October 12, 1931. It was organized by community volunteers, working with generous donations of time, materials and money. The donations came from individuals, businesses, churches and service organizations. Their goal was to provide a day of community friendship and a commemoration of the heritage of the Paso Robles area. Your participation at any level will be greatly appreciated, and will help to keep Pioneer Day an annual tradition.
